PROFILE

Dedicated technologist with extensive experience across programming, cybersecurity, and design. From earning a foundational certificate in Computer Operations, I progressed to mastering programming, graphic design, and cybersecurity. Today, I am an educator and developer who has worked as a Computer Operator, Programming Tutor, and Cybersecurity Instructor, guiding learners and professionals alike. Currently advancing towards cybersecurity certifications, I focus on creating seamless, secure digital platforms for businesses and individuals.

EXPERIENCE

Cybersecurity Instructor (Private Tutoring & Workshop Sessions): Developed and delivered tailored training in cybersecurity best practices and incident response.

Computer Technician (University of Benin, Nigeria): Supported staff and students with hardware/software installations and maintenance.

Computer Science Tutor (Various Secondary Schools in Nigeria): Created lesson plans and taught programming and digital literacy courses.

Programming Tutor (Various Training Centers & Workshops): Guided learners in programming languages such as JavaScript, Python, C#, and more.

Computer Operator (Independent Practice): Created and managed documents, databases, and handled daily office computing tasks.

Content Creator / Social Media Monetization Specialist (Group of Tech Experts): Created digital content, developed monetization strategies, and collaborated with teams for growth.

SKILLS

Programming: JavaScript, Python, PHP, C#, Java, C++
Web Technologies: React, TailwindCSS, Next.js, Node.js, REST APIs, GraphQL
Cybersecurity: Penetration Testing, Incident Response, Vulnerability Assessment, Linux Command Line
Database Management: MySQL, PostgreSQL, MongoDB

Additional Skills: Graphic Design, Video Editing, Technical Writing, Technical Training

CERTIFICATIONS

Computer Operations: Certified in Advanced Computer Operations (Computer Training School, Nigeria)
Front-End Development:
   - Meta Front-End Developer (Coursera)
   - freeCodeCamp Responsive Web Design Certification
Graphic Design: Adobe Certified Associate (ACA) - Photoshop & Illustrator
Cybersecurity:
   - CompTIA Security+ (In Progress)
   - EC-Council Certified Ethical Hacker (Awaiting Certification)

EDUCATION

PRIMARY EDUCATION:
   - Renascent Nursery and Primary School (2006-2014)

SECONDARY EDUCATION:
   - Rehoboth Comprehensive Model Science Academy (2015-2017)
   - Pace Setters Academy (2017-2021)

OTHER EDUCATION:
   - Comprehensive Education in IT Education Program and Training, Computer Operator/Technician
   - IT Support Training
   - Code Academy - Certified Programmer/Web Developer
   - Tech Edu - Ongoing Training and Certification in Cybersecurity

HOBBIES

Coding and exploring new programming technologies
Studying cybersecurity trends and best practices
Designing sleek, functional websites and user interfaces
Writing technical guides, ebooks, and articles
Going to the gym and maintaining a balanced, active lifestyle

ADDITIONAL INFORMATION

Passionate about combining programming, cybersecurity, and design to build practical, secure digital platforms. Always open to new opportunities for growth, collaboration, and making a positive impact in the digital space.
